

Quality Policy

"Right First Time Every Time"

The management of Autosmart International Ltd is committed to achieving sustained and profitable growth by providing products and services which consistently meet and wherever possible exceed the needs and expectations of its customers.

- setting quality objectives and targets which measure our customers' requirements and our organisation's effectiveness.
- Providing "Best in Class" value to meet and exceed customer expectations.
- Involving all staff in making processes and systems more effective and efficient in order to continuously improve lead time, flexibility and value
- Developing the skills and knowledge of our people to establish and maintain a highly motivated workforce with ownership of their part of the processes and systems
- Satisfying appropriate legal and regulatory requirements.
- Maintaining a Quality Management system to the internationally recognised BS EN ISO 9001
- To be accessible to our customers and suppliers and be perceived as responsible and professional business partners
